MSA: Master of Science in Administration

The Seminary offers many of the credits required to complete the following multi-school programs.

MSA: CHURCH ADMINISTRATION

This program is designed for individuals who wish to specialize in church administration at a level of expertise not available in the MDiv program. The MSA program prepares students to serve as presidents, treasurers, and/or institutional administrators. See the School of Business section of this bulletin, p. 239, for program details.

MSA: INTERNATIONAL DEVELOPMENT

This program is administered by the International Development Council at Andrews University. It equips graduates with both a spiritual vision and the technical expertise to work with the poor

and oppressed. Community development projects and community relief and disaster activities are emphasized.

The multi-disciplinary program uses the resources of the Theological Seminary, the School of Business, the School of Education, the College of Arts and Sciences, and the College of Technology. See the International Development section of this bulletin for further details, p. 78.

MA: Religion

Trevor O'Reggio, *Director*

The Master of Arts in Religion is an academic program involving one year of specialized study beyond the baccalaureate-degree level. The MA in Religion degree is offered with these orientations: (1) Research Orientation which requires a thesis and a modern language relevant to the student's research, usually French or German; and (2) General Academic Orientation, which requires comprehensive examinations. The program requires a minimum of 32 credits. Only 500- and 600-level courses are accepted. The purpose of this program is to provide specialized training within the broader setting of the various disciplines of the Seminary.

Students may choose an area of emphasis from those listed below:

- Archaeology and History of Antiquity
- Biblical-Theological Studies (Affiliation and Extension Programs)
- Biblical and Cognate Languages
- Church History
- Intertestamental (Jewish) Studies
- Jewish and Muslim Faiths
- Mission Studies
- New Testament Studies
- Old Testament Studies
- Theological Studies

The MA in Religion degree with the research orientation is designed to fulfill the needs of students planning further graduate study in biblical studies, religion, or theology. The general academic orientation should fulfill the needs of students who plan to engage in religious or secular endeavors which require a strong background in an emphasis. The MA in Religion is offered both on campus and at affiliation and extension centers outside the United States. When offered at affiliation sites, the program may reflect context-sensitive needs in its curriculum as approved by the seminary faculty.

ADMISSION REQUIREMENTS

Admission to the MA in Religion program is based on the following requirements in addition to the general admission requirements for all graduate students on p. 44, and the general seminary admission requirements on p. 289.

1. Applicant holds a baccalaureate degree or its equivalent, normally with a major in religion or theology with a minimum undergraduate GPA of 3.00 or above.
2. Applicant demonstrates language proficiency or shows a plan for acquiring language proficiency as determined by the selected area of emphasis. Proficiency is defined as the reading knowledge of a language at the intermediate level. Examinations may be required to demonstrate proficiency. Biblical language proficiency must be demonstrated before registration for exegesis courses. Modern language deficiencies must be made up before registering for the MA thesis. Language proficiency courses do not apply toward the 32 credits of the MA degree requirements.
