Our Values, Your Choice

Andrews University is a Christian community where Christ is celebrated and reflected in the academic, social, physical and spiritual experiences of its members. As a Seventh-day Adventist institution, we seek to integrate faith, learning and living, while each of us matures in our relationships with God and each other.

By deciding to attend Andrews University, students choose to be part of this uniquely Christian atmosphere. Every enrolled undergraduate student signs a *Community Values Agreement* in which they affirm their decision:

1. **To attend a faith-based institution** by respecting Andrews University's Seventh-day Adventist Christian perspective and values. See the section "A Faith-Based University" below.
2. **To adopt a wholesome lifestyle** guided by the core values of the Andrews University community. See the section "A Wholesome Lifestyle" on p. 21.

3. **To live on a residential campus** in a University residence hall while single and under the age of 22 and to participate in a meal plan at the University's vegetarian cafeteria (unless living in the community with parents). See the section "A Residential Campus" on p. 20.
4. **To be part of a gathered community** by attending weekly chapels, forums and other required co-curricular programs. See the section "A Gathered Community" below.

A Faith-Based University

Seventh-day Adventist Faith and Values. Students attending Andrews University soon learn that our Seventh-day Adventist faith and values set us apart. Our distinctive Christian perspective, guided by our understanding of Scripture, informs our faith as well as our practice. This becomes evident as students encounter a seventh-day Sabbath of rest and worship, wholesome recreational and entertainment choices, an emphasis on healthful living, concern for others through local and global service, the care of dedicated staff and professors, and a hopeful view of the present and future as found in Jesus Christ.

Campus Ministries. Campus Ministries exists to help students experience their God-given purpose. It serves as a place to plan and implement various ministries. These include on-campus worship events and spiritual growth activities such as Fusion, Refresh, Open Word, Weeks of Spiritual Emphasis, Power Pac Weekends, chapels and S.P.A.R.K., a prayer ministry. Students also have the opportunity to minister off-campus during Sabbath afternoon outreach ministries in Benton Harbor, as well as in a variety of creative ministries such as Impressions, AU Improv and the Easter Passion Play. In addition, students can take advantage of short- and long-term mission opportunities both here and abroad.

Campus Ministries encourages new ministry growth—students make ministry happen! Realizing that we are all given different gifts, they invite students to seek God's plan for their lives through ministry involvement. To learn more, visit www.andrews.edu/cm or call 269-471-3211.

A Gathered Community

Andrews University offers a rich learning environment inside and outside the classroom. Classes required for a student's academic curriculum are complemented by a number of required co-curricular programs each semester. Together they deliver the whole-person education at the heart of Andrews University's mission.

Co-Curricular Programs. There are three types of co-curricular programs offered:

1. **Chapels and Forums.** Held Thursdays at 11:30 a.m., Chapels gather the University community to explore and celebrate faith. Forums bring noted leaders and authors to campus for Christian dialogue. These occur once a month in the same time slot.
2. **Choices.** Smaller groups of students gather each week for a variety of Choices programs that focus on personal, spiritual, professional and leadership development. Many of these choices are available on Tuesdays at 11:30 a.m., on Friday evenings and daily in the residence halls.

20 THE UNIVERSITY

3. Changes. Students can earn co-curricular credit for experiential learning outside of class. Experiences must involve at least 10 hours of work in a student organization, campus ministry, workplace, church, etc. and be supervised by an advisor (pastor, club sponsor, work supervisor, etc.). Participants must initiate a Learning Contract before the September or January deadlines and will earn five credits upon completion of a Learning Assessment. Please contact Student Life for more information.

Co-Curricular Fee. A co-curricular fee is assessed at the end of each semester. This fee is cumulative, based on nonattendance. Students are charged \$25 for the first program that falls short of the required number and \$11 for every program short thereafter. A maximum of \$344 may be charged to traditional students and \$179 to non-traditional students per semester. This fee can be minimized or completely eliminated by attending programs.

Attendance Requirement. Attending co-curricular programs is part of earning an Andrews degree. These programs should receive the same weight as classes when planning work schedules and overall academic load.

1. Traditional Undergraduates. All traditional undergraduates are required to attend 30 co-curricular programs a semester, meeting one or two minimums (below) as part of the total requirement.

- Chapel/Forum Minimum. Students must attend a minimum of 12 Chapels/Forums each semester.
- Residence Hall Minimum. Residents must attend a minimum of 10 Choices offered in their residence hall each semester. Community students are also welcome to attend these programs for credit.

The remainder of the requirement can be fulfilled by attending other Choices programs, as well as by participating in the Changes program.

2. Non-Traditional Undergraduates. Students 25 years and older or who are parents with a child in their care are identified as non-traditional. Non-traditional undergraduates are required to attend only 15 programs a semester, drawn from any of the available programs. They also have the option of viewing Chapels online and submitting a report in lieu of physical attendance. Parents under the age of 25 must present a copy of their child's birth certificate to the Student Life office in order to receive non-traditional status.

3. Exempted Undergraduates. Marital status or work conflicts do not exempt students from attendance. However, if an undergraduate student is registered for 7 or fewer credits, pursuing a second bachelor's degree or has earned 120 credit hours or more by the beginning of the semester, the student is welcome but not required to attend programs.

Earned credit hours can be viewed using the University Academic Record link on the iVue page. Do not use the CAPP program to figure earned credit hours.

Requirement at a Glance

	Residence Hall Students	Community Students	Non-Traditional Students
Chapels/Forums	12 minimum	12 minimum	No minimum
Res. Hall Choices	10 minimum	No minimum	No minimum
Choices/Changes	No minimum	No minimum	No minimum
Total	30 programs	30 programs	15 programs

Pass/Fail System. Traditional undergraduates must complete at least 60% of the co-curricular requirement in order to pass for the semester. Students who fall short of the pass level will be placed on co-curricular probation. Letters will be issued at the end of the semester as follows:

Completion Level	Programs Short
Pass (Letter of Commendation)	0
Pass (Letter of Acknowledgement)	1-6
Pass (Letter of Low Attendance)	7-12
Fail (Letter of Co-Curricular Probation)	13+

Co-Curricular Probation and Registration Hold. Students placed on co-curricular probation at the end of a semester will be allowed to continue their studies the following semester. However, a hold will be placed on future registration until the pass level is achieved in the new semester. A continued pattern of failing attendance will result in the withholding of registration privileges for a period of one semester.

Absences due to occasional field trips, medical appointments, illness or family emergencies will not be excused. Students should plan to offset these conflicts with attendance at other programs. However, those who miss Thursday Chapels for one of these reasons may have the option to view a missed program online and file a report. Please contact the Student Life office within one week of your absence to discuss this option.

Attendance Monitoring. Students are responsible for keeping track of their attendance throughout the semester. To access your attendance record, visit www.andrews.edu and click on "Current Students." Then click on "Chapels and Choices." If programs you have attended do not show up on your record, please report the program within 21 days using the "Missing Programs" link in your record.

A Residential Campus

Residential Living Policy. Andrews University is operated as a residential college on the undergraduate level. This means that the residential environment plays a significant role in the mission of the University and its efforts to foster the holistic development of each student.

Therefore, all single undergraduate students under 22 years of age who are 1) taking seven or more credits or 2) enrolled in full-time language study must live in one of the University residence halls and participate in a meal plan at the University's cafeteria. Single undergraduate students are eligible for community living at the beginning of the semester in which they turn 22 years of age.

Costs associated with residence hall living are part of the investment in an Andrews University education, thus the Student Life office does not make exceptions on the basis of financial need.

The ONLY alternatives to residence hall living are:

1. Students who live full-time with parents within a 45-mile radius of the University under the terms of an approved Community Residential Agreement.
2. Students who live full-time with a current Andrews University faculty or staff family within a 45-mile radius of the University under the terms of an approved Community Residential Agreement.

Community Residential Agreement forms can be obtained in the Student Life office. Agreements must be signed in person in the Student Life office by students and parents or employee hosts. Parents must provide a copy of their current Michigan or Indiana driver's license with a local address as proof of community residency.

Returning residential students under 22 years of age who meet the criteria for being released from on-campus housing assignments and desire to move off campus must submit applications to the Student Life office prior to the semester of their expected move for approval (deadline schedule below). Submitting an application before the deadline does not mean it is approved. The associate dean for Student Life will respond to all requests within five to ten business days of the deadline. The deadlines for applications are listed below:

Semester expected to move	Application deadline	Decision rendered by
Spring 2012	November 4	November 21
Fall 2012	August 1	August 15

Please note the additional conditions of this policy:

1. A "parent" is a biological parent or legal step-parent. The parent of a parent, the brother or sister of a parent, or siblings 22 years or older may also be allowed, at the discretion of the Student Life office, to assume a parental role.
2. To be eligible for community housing, students must be in good and regular standing and evidence a willingness to abide by the expectations of Andrews University at the time of application.
3. Students living with parents are expected to abide by the standards and codes of conduct outlined in the *Student Handbook*.
4. Under the terms of the Community Residential Agreement, parents or employee hosts must notify Student Life of any changes of address, conduct concerns, irregularities or any concern that impacts the welfare of the student.
5. Parents and employee hosts must agree to live on a daily basis in the same household as the student (students may not live in a separate apartment with a different entrance in the same house) and to notify the Student Life office if the living arrangements cease to meet this requirement. Parents and hosts owning or renting more than one residence may not divide their time between residences during the school year.
6. Reapplication for living in the community must be made EACH school year.
7. False statements made to the University on a Community Residential Agreement will jeopardize an applicant's student status and/or ability to reside in the community.

Residence Halls. The University maintains a women's residence hall for undergraduates under age 22 (Lamson Hall) and a

men's residence hall for undergraduates under age 22 (Meier Hall). University Towers is a residence hall designed for single, older students—the North Tower (New) is for undergraduate age 22+ and graduate females, while Burman Tower (South) is for undergraduate age 22+ and graduate males. Double-occupancy rooms are standard. Single occupancy is permitted in Lamson, Meier and Burman Tower, if space allows, for an additional fee.

Apartments and Houses for Rent. The University owns approximately 300 apartments and 30 houses. The apartments are available to married students, students with children, and single undergraduate age 22+ and graduate students. Accommodations are available only to those who have been officially accepted as University students. Since apartments are limited, applicants are advised to apply six to nine months before their first semester of studies.

Most apartments are furnished. Tenants must supply their own linen, draperies and kitchen utensils. Unfurnished apartments have a stove and refrigerator. Heavy furniture and pianos may be placed in the apartments only by prior arrangement with the University Apartments director. Pets are not allowed in University apartments or houses. The apartment descriptions, rental rates and application forms are available upon request.

Further information on University housing may be obtained through the *University Apartments Handbook* available from the University Apartments office. Please visit the website at www.andrews.edu/housing for applications and further information.

Other Accommodations. Some area landlords have their names and phone numbers on record at the University Apartments office. Students may consult or copy this list.

Non-Residence Hall Housing

Students living in non-residence hall housing must abide by the expectations outlined in the *Student Handbook* and the non-residence hall housing policy. All students living off-campus must maintain high moral standards in their choice of guests and entertainment; otherwise, they could be subject to discipline. **Unmarried, unrelated students must not live in the same shared dwelling with members of the opposite sex.**

A Wholesome Lifestyle

Core Christian Values. Students who choose to attend Andrews University agree to adopt a wholesome lifestyle and to maintain high standards of conduct. These standards are part of the spiritual mission and heritage of the University. They reflect biblically grounded values such as honesty, modesty, sexual purity, respect for others and their safety, and healthful living.

Code of Student Conduct. The Code of Student Conduct is detailed in the *Student Handbook* and provides examples of violations that may result in serious consequences. Students may obtain a copy of the *Handbook* at the Student Life office (or online at www.andrews.edu/sl). Any regulation adopted and published by the administration in more informal written communication or online has the same force as regulations printed in official publications.

Code violations include, but are not limited to, the use or possession of tobacco, alcoholic beverages, illegal drugs or dishonestly acquired or misused prescription drugs; dishonesty; sexual immorality; physical and sexual assault; theft; vandalism;

22 THE UNIVERSITY

patronizing night clubs, dances, bars, taverns, gambling places, parties/places of residence where alcohol is served and other places of questionable entertainment; profanity or vulgarity; possessing lewd or obscene materials; possessing weapons, firearms or look-alike firearms; disrespect or slander; engaging in improper associations—participating in organizations that have not been registered with and approved by the Student Life office; insubordination of a University official; threatening and harassing behavior.

Accountability. Admission to the University is not a right. It is a privilege that entails acceptance of individual responsibility for honor, integrity and self-discipline. The University understands that all human beings are flawed and seeks to work with each student in a redemptive manner. However, students should expect to receive consequences up to and including dismissal from the University if they engage in activities or behaviors that violate the University's core values or if their presence damages the mission and function of the institution. This includes activities and behaviors outlined in the Code of Student Conduct, whether these activities and behaviors take place on-campus, off-campus, or in cyber communities.

Community Values Agreement. Undergraduates are required to sign a *Community Values Agreement* as part of their registration each academic year. By signing this document, students agree to support a wholesome lifestyle and to respect the faith-based values of the University. They also agree to abide by the University's residential policy and to participate in required co-curricular programs.

Student Activities and Organizations

The University encourages students to participate in as many extra-curricular activities and organizations as their study-work loads permit. Experience gained in working with others to achieve common goals provides invaluable training. Some of the more prominent campus organizations and activities are described below. A complete list of campus organizations is available from the Student Life office.

Andrews University Student Association (AUSA) and Publications. The Student Association serves all undergraduate students enrolled at Andrews University for 5 or more credits. AUSA sponsors recreational and educational activities for the undergraduate student body. It responds to student needs and serves as a collective voice for student concerns. Additionally, it coordinates activities that include the publishing of the *Cast* (pictorial student directory), the *Cardinal* (University yearbook), and the *Student Movement* (University student paper). The editors and managers of these publications are approved by the Student Senate and elected by the members of AUSA. The Senate, composed of about 30 student leaders, exercises legislative and management powers given to it by the constitution of the association.

Student committees—Educational Standards, Student Services, Social Recreation and Student Life—are additional activities of AUSA. Details about AUSA and its sub-organizations appear in the *Andrews University Student Association Constitution and Bylaws*.

Andrews University Graduate Student Association. All graduate students enrolled with regular or provisional status in a degree program in all schools and colleges at the Berrien Springs campus of Andrews University are automatically members of the

Andrews University Graduate Student Association (AUGSA). The AUGSA assembly includes all AUGSA members and is governed by elected officers who meet regularly and report to the assembly.

The AUGSA sponsors social, spiritual and scholarly activities during the school year. It may also be involved in University policy development that affects graduate students. Details about AUGSA are found in the Constitution of the Andrews University Graduate Student Association.

Student Clubs and Organizations. Numerous campus organizations serve the social, spiritual, academic and leisure interests of students. Kappa Phi Gamma and Sigma Psi Delta include all women and men, respectively, who reside in college residence halls. Clubs for international and cultural groups, as well as those for commonly held pursuits and causes, provide for the diverse interests of students. Student organizations must be overseen by a full-time staff or faculty sponsor, led by at least three student officers, and guided by an official constitution. Organizations must register each year with the Student Life office in order to function on campus. Students are not allowed to participate in unregistered organizations, and those who do jeopardize their student status. A list of registered organizations can be found on the Student Life website at www.andrews.edu/sl.

Student Records. The Family Educational Rights and Privacy Act (FERPA), gives students certain rights relating to educational records that are created and maintained by the University. The University is not obligated to maintain educational records and thus some educational records are destroyed. Students may inspect and review their educational records and may, if they believe the records are incorrect, seek to have records corrected through appropriate review procedures. The full policy that governs student records and access to them is available in the *Student Handbook*. Students who wish to review their academic records should make a request through the Office of Academic Records; students who wish to review their student life records should make a request through the Student Life office. The student may be asked to care for the reproduction costs of copies of records requested by the student.

Information Released to Third Parties. In accordance with FERPA, Andrews University does not disclose personally-identifiable information from educational records without a student's consent except in limited circumstances. FERPA does permit institutions to define classes of information as "directory information." FERPA permits the disclosure of directory information without the consent of the student, unless the student has informed the University Registrar, in writing, of her/his refusal to permit the dissemination of directory information. A form for opting out of the disclosure of directory information, which must be filled out and submitted each semester, is available in the Office of Registrar. The University has designated the following information as "directory information": name, local address, local telephone number, e-mail address, gender, marital status, hometown, date and place of birth, school, academic program (degree, major and minor), enrollment status, class standing/classification (ie., freshman, sophomore, junior, senior or graduate), participation in officially recognized activities, dates of attendance, degree(s) received, honors and awards, and photographs. Even where directory information may be released, Andrews University reserves the right to withhold such information from third parties.

Safety Regulations. Andrews University expects students to develop safe working habits. Students who participate in

classes, laboratories or activities involving situations considered hazardous, as specified by the state or national standards, must provide and wear any such required personal safety equipment. If you are unsure of the required safety procedures please contact Public Safety at 269-471-3321.

Motor Vehicles

Any student in good standing with the University will be allowed to register their vehicle with Public Safety to drive it on campus.

Vehicle Registration. All motor vehicles must be registered with Public Safety. Decals are issued when a vehicle is registered and must be affixed immediately. Failure to register a vehicle may result in a fine.

Auto Licensing. All vehicles on campus must maintain current home state license plates at all times.

Auto Insurance. All vehicles must be covered with liability insurance while driven on campus. Expiration or cancellation of insurance automatically revokes motor-vehicle registration and driving privileges. All vehicles must be maintained in legal operating condition at all times. Regulations governing the use of motor vehicles are described in the brochure “Student Right-to-Know Report,” available from the Office of Public Safety

Dining Services

The Office of Dining Services is located on the first floor of the Campus Center. The Dining Center is located on the second floor and features several stations for your dining pleasure. Our vending services for snacks and beverages are available in many of the campus buildings.

Dining Services provides delicious vegetarian and vegan options. Additional information and menus are available on the Dining Services website at www.andrews.edu/life/dining.

Medical Services

Required Medical Records. Michigan State Law requires all first-time students to supply certain medical records to the school of their choice before registration can be completed. The required records are those for (1) Tuberculosis Screening and (2) Measles, Mumps, and Rubella (German Measles) Immunization (MMR). See the admission section of this bulletin for detailed requirements.

Available Medical Care. For health needs, students may contact University Medical Specialties, located next to the Apple Valley Plaza. Phone 269-473-2222 during office hours (8 a.m.–5 p.m., Monday–Thursday, and 8 a.m.–12 noon, Friday) to schedule appointments.

Physician appointments and nurse visits, as well as most short-term medications, are available to residence-hall students. These services are included in the rent/health plan and are not charged separately to the student. However, charges are made for lab work, X-rays and accident cases involving third-party liability.

Non-residence-hall students living in the apartments or off-campus housing may use University Medical Specialties for a fee.

For emergencies outside of regularly scheduled office hours, students may reach a physician at 269-473-2222.

Health-related Concerns

Insurance—Sickness/Accident. Every international student in “student status” and every other student registered for 6 or more credit hours is automatically covered by an Accident and Sickness insurance plan by filling out an enrollment card. The payment for this coverage is charged to the student’s account the same as tuition and is non-refundable. Students who have proof of the same kind of insurance coverage elsewhere may waive the University plan by presenting their insurance card or a letter from an employer verifying coverage, and by signing a waiver card at registration. Coverage for a student’s spouse and dependent children is also available for an additional fee. All students from outside of the United States must cover dependents who accompany the student to the States. A brochure describing the insurance coverage is available at the Student Insurance office in the Administration Building. **Students will note that this is minimal coverage and may not cover some pre-existing conditions. Consequently, some students may want to consider purchasing additional personal coverage.**

Counseling & Testing Center. The Counseling & Testing Center is the primary mental health care facility for the University, serving as a supportive medium aimed at enhancing the positive and learning University environment, as it provides timely and comprehensive short-term counseling to University students and their spouses. The Center is staffed by licensed psychologists and counselors, committed to utilizing all available resources in the delivery of services which include personal, group, premarital and marital counseling, career development, outreach and consultation, teaching and research, training and supervision. The center endorses a holistic approach in working with students, by facilitating the integration of the emotional, spiritual, physical and social qualities of the individual.

The Counseling & Testing Center is fully accredited by the International Association of Counseling Services (IACS) and serves as a training facility for graduate counseling and social work interns. Career exploration and counseling services are offered to enrolled students at no charge. Psychological testing and career assessment are provided for a nominal fee.

National standardized testing, including the ACT, SAT, GRE, LSAT, DAT, GMAT, PRAXIS, MELAB, TOEFL, CLEP and other academic tests needed at both the undergraduate and graduate levels are offered at the Counseling & Testing Center. To contact the Center call 269-471-3470 or e-mail the staff at: ctcenter@andrews.edu.

Student Employment

Employment Eligibility Certification. The Immigration Reform and Control Act charges all employers to examine and verify certain documents that establish the employment eligibility of all new employees. New and returning students who have not completed an I-9 for Andrews University work in the past and who plan to seek any employment on the Andrews University campus must supply documents of identity and employability. The Office of Employment, which is part of Human Resources, assists students in their on-campus employment needs. The office provides information regarding employment opportunities and assistance with necessary paperwork, administers employment tests and is responsible for updating employment files. The office is located in the Administration Building, Second Floor.

Office of Employment

Telephone: 269-471-3570

Fax: 269-471-6293

E-mail: employment@andrews.edu

Website: www.andrews.edu/hr

Students desiring part-time employment must be enrolled full-time (12 undergraduate credits, eight graduate credits or nine Master of Divinity credits) and they must complete the necessary paperwork at the Office of Employment.

The University allows students to work, as work is available, up to 20 hours per week during the academic year. To maximize work opportunities, the student should schedule their classes so that large portions of the mornings or afternoons are free. Professional performance and conduct is expected in all on-campus employment.

Employment (International Students). An international student on a non-immigrant F-1 visa is permitted to work on-campus a maximum of 20 hours per week during the school year and full-time during school breaks and vacations. F-1 students can only work off-campus with permission from the United States Citizen and Immigration Services (USCIS). Dependents with F-2 visa status can't work on- or off-campus under any circumstances.

Exchange Visitor students on a non-immigrant J-1 visa are allowed to work on- or off-campus a maximum of 20 hours per week during the school year and full-time during school breaks and vacations. Dependents with J-2 visa status are allowed to study full-time and to work after they receive a work permit called the Employment Authorization Document (EAD) from the USCIS.

Other Campus Services

Other campus services include a barber shop, a beauty shop and the University-branch post office.

Immigration Information for International Students

International students on F-1 or J-1 visas (including dependents) who come to study at Andrews University (AU) should be informed about the immigration laws and regulations in matters related to their visa status. It is the responsibility of the international student to maintain his/her student visa status at all times. Failure to follow immigration regulations, whether intentional or unintentional, is a violation of the student visa status. Consequently, the status of the international student would be terminated and he/she must apply to the USCIS to be reinstated back into the legal student visa status or be faced with possible deportation.

The personnel at International Student Services (ISS) consists of the director, called the Principle Designated School Official (PDSO), and the Designated School Official (DSO). They are appointed by Andrews University and authorized by United States Citizen and Immigration Services (USCIS) to issue I-20 and sign legal students' documents. The Undertreasurer Department of the General Conference of the Seventh-day Adventist Church is certified to issue the document DS2019 which enables the exchange visitor to obtain the J-1 visa to enter the U.S. The certified undertreasurer person is called the Responsible Officer, who presently is assisted by two Alternate Responsible (ARO) Officers. The director of the Office of International Student Services at Andrews University is one of the alternate Responsible Officers. The PDSO, DSO and ARO are also required to advise international students in areas related to student life on campus such as study, work and travel, etc.

The Office of International Student Services communicates information to the international students in matters related to the government laws and immigration by several methods. First, the orientation for new international students is required upon arrival at Andrews University. Failure to attend the orientation program will result in a fine to the student of \$75. In addition, they will have to attend a rescheduled orientation program in order to register for the semester. Other means of communication include the *AU Bulletin*, the international student services website, the *Andrews Agenda* and e-mail. All international students are required to immediately update the Office of International Student Services of any changes in their student visa status, address, change of major or change of academic level.

General requirements for maintaining status as international students:

1. Have at all times a valid passport.
2. Continue to carry a full course of study.
3. Leave the United States once the courses for the academic program are completed, unless the student applies for a work permit (F-1: OPT, J-1: Academic Training).
4. Apply through the Office of International Student Services for a new I-20 if it is desired to change programs or to continue for another academic level within the same school.
5. Keep the I-20 (F-1) or DS2019 (J-1) updated at all times.
6. Maintain a legal work permit (on- or off-campus according to USCIS regulations).

Tuberculosis Testing: All international students must submit a negative (clear) TB test prior to admission.

Attendance at Another School

International students that come to study with an Andrews University I-20 or the General Conference DS2019 should always maintain a full course of study at Andrews University. With an AU I-20, international students may take additional classes from other schools if approved by the academic advisor and the Office of International Student Services.

The Department of Homeland Security established a new system to track all international students who are admitted to study in the United States. It is called the Student and Exchange Visitor Information System (SEVIS). It is administered by the Student and Exchange Visitor Program (SEVP), a division of U.S. Immigration and Customs Enforcement (ICE). This is a web-based system for maintaining information on international students and exchange visitors in the United States.

Transfer to Another School in the U.S.

J-1 students who want to change schools or their academic program must first check with their sponsoring organizations. If a student intends to change schools for any reason during the program, or after receiving a degree, he/she must initiate a transfer and obtain a new I-20 from the new school. The transfer instructions that need to be followed are normally given by the new school. Once the receiving school is ready to issue the new I-20, the student should inform the ISS office so that the student's current legal file can be transferred electronically to the new school.

Full Course of Study

USCIS requires every student on an F-1 or DS2019 student visa to enroll full-time every semester at the school they are authorized to attend beginning immediately after the report date on the I-20 or DS2019. Full-time class enrollment is as follows:

Undergraduate	12 credits (minimum)
Graduate	8 credits (minimum)
MDiv	9 credits (minimum)
English Language Institute (ELI) Academy	12 clock hours (minimum)
Fall Qtr	2.0 units (minimum)
Winter/Spring Qtr	1.5 units (minimum)
Audited credits do not count.	

Summer semester is a vacation semester for those who start a normal school year. International students do not have to enroll for a lesser course load during summer except if the initial attendance reporting date on the I-20 or DS2019 is dated for the summer semester. If so, the student must enroll for a full study load during the summer. Additional information is available in the Office of International Student Services.

1. International students with medical problems must provide a statement from a physician recommending an interruption or reduction in study load.
2. Graduate international students who have completed formal course work and are engaged in comprehensive exam preparation, project, thesis or dissertation are required to register for such. Thereupon they are considered to be pursuing a full course of study.
3. An international student who registers in his/her last semester for less than the minimum credits required must present a letter from his/her academic advisor verifying that these are the only credits that the student needs to fulfill all course requirements.
4. An F-1 student engaged in post-completion Optional Practical Training maintains his/her full visa status. A student in F-1 status doing full-time Curricular Practical Training is also considered to be pursuing a full course of study. But if an international student is engaged in part-time Curricular Practical Training or part-time Optional Practical Training, he/she is required to enroll in classes concurrently.

Students On Exchange Visitor Visas and the Two-year Home Country Physical Presence Requirement

The two-year home country physical presence requirement is one of the most important characteristics of the Exchange Visitor J-1 status. If the international student is bound by this regulation, it will be stated on the J-1 visa and on the bottom left corner of the DS2019. Exchange Visitors, including their dependents, can apply for a waiver of the requirement to return home for two years upon completion of their studies. Without the waiver, such students are not eligible to change their status in the U.S. to another category. Neither can such students become eligible for any change of status until they have been physically present in their country of nationality or the country of last legal permanent residence for a minimum of two years following departure from the USA.

Employment For J-1 and F-1 Students

Immigration laws are very strict about employment. International students desiring to work must be sure to comply with these laws. UNAUTHORIZED OFF-CAMPUS EMPLOYMENT CAN LEAD TO TERMINATION OF STUDENT VISA STATUS AND DEPORTATION.

J-1 students may engage in two kinds of employment:

1) academic training related to the course of study, or 2) work on-campus or off-campus for a maximum of twenty hours per week while school is in session and full-time during vacation. J-1 students must obtain a letter from the RO or AROs authorizing employment before beginning work.

F-1 students may work on campus up to 20 hours per week while school is in session and full-time during vacations, breaks and holidays. The student can work off-campus only with permission from the USCIS. Permission for off-campus employment is given for 1) economic hardship, 2) curricular practical training and 3) optional practical training.

F-2 dependents cannot study or work under any circumstances while they are in the country.

Academic Training. Employment which is directly related to the course of study is permitted by the Department of State (DOS) while the J-1 student is enrolled in school, or approved for Academic Training no later than 30 days after completion of the program. The General Conference is the organization that authorizes the Academic Training once the student provides the required documents.

Curricular Practical Training (CPT). Employment authorization for Curricular Practical Training is given to students whose degree programs require off-campus work experience. International students may NOT begin working until the I-20 has been issued for employment authorization by the DSO. CPT is limited to twenty hours per week if the student is required to take classes during the practicum. If the CPT work is full-time, then the I-20 must be issued for full-time. For more information, contact the Office of International Student Services.

Clinicals, Practicums or Internships. International students who are paid for clinicals, practicums or internships as part of a degree program MUST apply for Curricular Practical Training and be issued a new I-20 accordingly. Failure to do so will consider their work illegal.

Optional Practical Training (OPT). Optional Practical Training is an optional work benefit for F-1 students, intended for practical work experience in their major field of study. Upon USCIS approval, a student receives work authorization to do

OPT anywhere in the United States for a total of 12 months. International students may apply for the post-completion OPT during a five-month window; three months prior to the completion of the degree or 60 days after the completion of the degree.

Accepting Public Benefits is Illegal

Often hospital or medical clinic personnel encourage international students to accept Medicaid or other government benefits. DO NOT ACCEPT PUBLIC BENEFITS. Doing so is considered by USCIS to be a violation of your non-immigrant status. Such students will be required to pay back the money received and may risk deportation.

Tracking System

The USCIS created a new system called SEVIS which monitors international students. The government requires all universities and colleges to supply them with information concerning their international students through electronic submission to SEVIS. Information such as the date of commencement of studies, failure to enroll or attend classes, or any disciplinary action taken against the student due to criminal conviction, or otherwise failing to maintain student status must be reported to the government through SEVIS.

The \$200 SEVIS I-901 Fee

International students are required to pay \$200 for the SEVIS I-901 fee. The Office of International Student Services will send along with the I-20 the instructions concerning the different ways of paying this fee. Upon paying the SEVIS fee, the system will automatically generate a receipt which is essential for the students to present at the American Consulate in order for them to obtain the student visa. Canadians must present the SEVIS receipt at the port of entry.
